

CODING CHALLENGE

Write a program that

1. Counts down from a starting number to 1 and then displays "Blast off!".
2. By default, the countdown begins at 10.

Add-ons:

1. Ask player to choose a number they want to start the countdown from.
2. Ensure entered number is less than 100 and greater than 5.

```
Enter number: 5
5
4
3
2
1
Blast Off!
```
