

Greetings,

✨ This month, we explore how programming **supports math's learning**, highlight the **importance of mentors**, celebrate our February **challenge winners**, and about our upcoming **Holiday Camp!** ✨

Give your child a **meaningful holiday experience**. Our **fully supervised** Zoom-based programming camp helps them learn coding skills while **creating their own video game**.

**Enrol Now**

## 🌟 Math Made Fun Through Programming!

💡🌟 At Digimaker, we turn numbers, logic, and problem-solving into exciting, hands-on programming challenges that kids genuinely enjoy
